

Christian Youth Theater is a 501c(3) tax-exempt non-profit organization. As a non-profit, CYT depends on generous families and business leaders in our community to help us offer a professional, wholesome, family environment in which our children are encouraged to “Develop Character One Stage at a Time.” The CYT Standing O Program is part of our commitment to excellence and provides support that CYT can count on! Members of the Standing O program are people or businesses who support CYT with a monthly or special monetary gift. That support is vital to the financial health of CYT and helps us continue to provide training in the arts in an atmosphere of excellence as well as provide class scholarships to families in need.

CYT's programs are about so much **more** than musical theater!

The **CYT Difference** is -

- Providing a quality product without compromising a wholesome family environment
- Developing character values in individuals including commitment, discipline, self-esteem, confidence & integrity
- Placing the maximum worth on people and treating each individual with respect & significance
- Providing a Godly role model, while promoting the awareness of higher accountability
- Supporting the family unit incorporating each family member's talents, interests and abilities.

Our ability to share and grow the CYT Difference depends on the generosity of those who believe in the importance of this **difference** and what it does for children and families in our region.

Here is what some of our kids and parents have to say:

"I can't imagine our life without CYT. All three of my children have been involved in this organization for the past 10 years. They have made life-long friends, developed character, self-esteem and confidence. CYT has without a doubt been a huge blessing in our life." – *Marjie*

"When I started CYT at the age of eight, I had no idea how much it would change my life. Throughout it, I gained the most amazing family and have really grown in my musical theatre abilities. I am incredibly thankful for how much this place has impacted my life in such a positive way." – *Abby Grace*

"When I started CYT I had no clue what it would be like. CYT has become a home away from home. I just love how loving CYTers are and how everyone loves one another. We are like one big family. We are able to watch each other grow in our skills. CYT has been so amazing to me and my family and we have met many amazing people through it and for that I am very grateful." – *Ellie*

"CYT is my daughter's home away from home. This is the place where she can do what she loves with the people that she loves. She has been involved for 8 years and in this time has grown not only in her craft but as a person as well. Can't say enough good things about CYT!" - *Holly*

"CYT is a place where I can do what I love and be myself all the time." – *Erin*

"CYT is my home and my heart. I could not imagine my life without CYT. The people there are inspiring and amazing and I am proud to call them my family." - *Carly*
